

Buyer Qualification Roleplay Script

Roleplay script for turning a vague buyer enquiry into a documented client brief.

Scenario

A buyer says: 'I want anything nice in Harare, maybe USD 80,000 to USD 120,000.'

Questions

Confirm budget, finance readiness, preferred suburbs, timing, decision makers, must-haves, deal-breakers, and viewing availability.

Assessment

Learner must produce a shortlist rule and decide whether the enquiry is ready, incomplete, or low priority.
