

Overpriced Seller CMA Case File

Practice case file for pricing a Zimbabwe property with comparable evidence and seller objection handling.

Scenario

A Borrowdale seller wants USD 245,000 because a neighbour is asking the same. Your evidence shows likely buyer response between USD 198,000 and USD 215,000.

Learner Task

Prepare a CMA, recommended range, pricing risk note, and seller conversation plan. Identify which claims are facts and which are assumptions.

Evidence Required

Submit comparables, adjusted price range, pricing recommendation, objection response, and documented next action.

Use this file for Academy practice, trainer review, and field coaching. Remove or mask private client data before submission.
