

Seller Listing Presentation Video Script

Trainer-ready script for recording a listing presentation lesson with pricing, commission, documents, and close.

Opening

Confirm the seller's goal, reason for selling, timing, decision makers, and preferred communication route.

Core Demonstration

Show market evidence, HouseLink marketing plan, document checklist, commission explanation, and mandate options.

Recording Notes

Capture one price objection, one commission objection, and one document-risk question. End with written next steps.

Use this file for Academy practice, trainer review, and field coaching. Remove or mask private client data before submission.
