

Tenant Screening Case File

Practice file for qualifying a tenant, checking references, and preparing a rental recommendation.

Scenario

A tenant wants immediate occupation, has partial documents, and asks to pay deposit after moving in.

Learner Task

Complete needs analysis, identify missing evidence, prepare landlord questions, and write a professional recommendation.

Risk Flags

Urgent move-in, incomplete income evidence, unclear occupants, and request to bypass deposit process.

Use this file for Academy practice, trainer review, and field coaching. Remove or mask private client data before submission.
