Lesson Guide

In-depth notes for Operations planners and registers - study, annotate, and revisit before client meetings.

Operational excellence runs on simple registers. Keep viewing, follow-up, and appointment records current — they protect you in disputes and improve conversion.

Practical exercise: Set up your weekly planner template today. Block prospecting, follow-up, and admin time before adding client appointments.

Review every open enquiry in your Client Follow-Up Register each Friday and schedule next actions before the week ends.
