

Administration and compliance tools

Programme: HomeLink Professional Certification Module: Professional Agent Resource Kit

Duration: 25 minutes

Lesson Summary

Checklists for files, compliance, inspections, and submissions.

Lesson Content

Run every listing and client file through the File, Compliance, and Document Submission checklists before handover. These tools prevent the most common compliance failures.

Practical exercise: Audit one recent file against all three checklists. Document gaps and corrective actions with dates.

Inspection and open-house checklists protect you when access, safety, or neighbour issues arise.

Learning Objectives

After completing this lesson you should be able to:

■	Apply file and compliance checklists
■	Use inspection and open-house tools
■	Submit complete document packs
