

Operations planners and registers

Programme: HomeLink Professional Certification Module: Professional Agent Resource Kit

Duration: 20 minutes

Lesson Summary

Daily planners, viewing registers, and appointment tools.

Lesson Content

Operational excellence runs on simple registers. Keep viewing, follow-up, and appointment records current — they protect you in disputes and improve conversion.

Practical exercise: Set up your weekly planner template today. Block prospecting, follow-up, and admin time before adding client appointments.

Review every open enquiry in your Client Follow-Up Register each Friday and schedule next actions before the week ends.

Learning Objectives

After completing this lesson you should be able to:

■	Set up operational templates
■	Maintain viewing and follow-up registers
■	Plan appointments systematically

Field Toolkit Downloads

Use these branded HomeLink print-ready tools when applying this lesson in the field: Daily Activity Planner, Weekly Planner, Monthly Planner, Appointment Schedule, Property Viewing Register, Client Follow-Up Register. Download them from the lesson Toolkit tab in your Academy dashboard.

HomeLink Zimbabwe Agent Academy — confidential training material for enrolled learners. Apply this guidance professionally and in line with HomeLink standards.
