

How to use this Academy

Programme: HomeLink Agent Foundations Module: Introduction to the HomeLink Zimbabwe Standard
Duration: 15 minutes

Lesson Summary

How to progress through modules, use branded downloads, and track your certification path.

Lesson Content

Each lesson includes reading material, practical downloads, and checkpoints. Branded PDFs in this Academy are print-ready HomeLink resources — forms, checklists, and planners — not generic placeholders. Use Continue learning on your dashboard to resume where you left off. Bookmark lessons you want to revisit. The full training manual is available once in the Resource Library for reference — individual lessons link only to the tools you need for that topic. Quizzes and assignments appear at stage checkpoints. Pass marks and certificates are tracked in your learner dashboard.

Learning Objectives

After completing this lesson you should be able to:

■	Navigate the learner dashboard
■	Use lesson downloads correctly
■	Understand quiz and certificate requirements

Field Toolkit Downloads
