

Collecting accurate listing information

Programme: HomeLink Listing & Client Mastery **Module:** Prospecting, Listings and Property Marketing
Duration: 35 minutes

Lesson Summary

Capture complete, verified property details before publishing.

Lesson Content

Incomplete listings damage trust and waste buyer time. Verify ownership authority, pricing, availability, keys/access, utilities, and material defects before go-live.

Use the Property Listing Form and File Checklist together — nothing goes to market until both are satisfied.

Learning Objectives

After completing this lesson you should be able to:

■	Verify listing authority and facts
■	Complete listing forms accurately
■	Apply file checklist before submission
