Lesson Guide

In-depth notes for Field apprenticeship evidence portfolio - study, annotate, and revisit before client meetings.

Portfolio purpose

Certification should prove field readiness. A portfolio gives admin, mentors, and branch leads evidence that you can prospect, qualify, list, market, show, document, and review performance professionally.

Required evidence

Include a prospecting log, one listing file, one client qualification file, one viewing record, one compliance audit, one KPI review, and a short reflection on the most important correction you made during training.

Professional standard

Remove or mask private client details where required. Label each document clearly and make sure every file shows dates, next actions, and supervisor or self-review notes.
