Lesson Guide

In-depth notes for Listing presentation and objection handling simulation - study, annotate, and revisit before client meetings.

Presentation structure

Open by confirming the owner's goals, timeline, and concerns. Present market evidence, explain HouseLink's marketing process, agree documentation requirements, then confirm next actions in writing.

Common objections

Expect questions about commission, price, exclusivity, speed, advertising reach, and whether another agent can do it cheaper. Strong agents answer calmly with evidence, process clarity, and service value.

Simulation

Record or script a five-minute listing presentation. Include one price objection, one commission objection, and one document request. Submit the script or roleplay notes with your completed listing file.
